II. Strengthen Procedures for Reviewing Proposals for Use of Title V Funds]	[D. GPSS shall provide evidence that its personnel involved in the application, evaluation, and approval process are properly trained by December 2007.]	Federal Programs Division, Program Managers, Project Directors, & Division Heads	Measurable Objective: Training to be provided to all Program & State Staff annually.	USDOE Validation Pending	[D. GPSS shall provide evidence that its personnel involved in the application, evaluation, and approval process are properly trained.	(a) GPSS to ensure personnel responsible for implementing & monitoring federally funded activities receive all necessary training by December 2007 & annually thereafter: (b) Training was provided in August 2007 to all Program Managers & Project Directors on fiscal requirements & internal control procedures; (c) Further training on fiscal requirements & internal controls to be provided to all Program Managers & Project Directors by December 2007 & annually thereafter; (d) Monitoring of internal control procedures to be conducted & validated by State Monitors; (e) Since August 2007, State Monitors have received the following Grants Management training: 1) Grantsmanship II: Administrative Requirements & Cost Principles for Grants & Other Agreements, 2) Introduction to Federal Grants & Cooperative Agreements, 3) Monitoring Grants & Cooperative Agreements, 4) Subawarding for Pass-Through Entities; (f) To ensure State Monitors possess a thorough understanding of cross cutting federal requirements, State Monitors will continue to receive Grants Management training annually.	<ul style="list-style-type: none"> <li>GPSS to ensure personnel responsible for implementing &amp; monitoring federally funded activities receive all necessary training by December 2007 &amp; annually thereafter</li> <li>Monitoring of internal control procedures to be conducted &amp; validated by State Monitors</li> <li>State Monitors to continue to receive Grants Management training annually</li> </ul>	<ul style="list-style-type: none"> <li>Sample Project Application</li> <li>Training documentation (Attendance sheets, handouts, certificates, etc.)</li> <li>a) SOP &amp; Routing procedures training</li> <li>b) Grants Management Training certificates</li> </ul>	State Program Staff continue to provide training to various district personnel in order to reinforce the information on compliance with federal rules and regulation when dealing with federal grant funds.	See Training and Monitoring Forms
III. Reporting]	Reporting and properly accounting for Program Income	Federal Programs Division, Program Managers, Project Directors, & Division Heads	Measurable Objective: GPSS shall calculate the portion of Title V funds that is considered program income & report this amount to USDOE as part of Consolidated Grant application budget.	USDOE Validation Pending	Reporting: <ul style="list-style-type: none"> <li>GPSS has failed to properly account for program income in the past. reference: audit number 03-24 regarding calculation of program income; QC-\$0)</li> </ul>	GPSS implemented procedures to ensure that Program Income generated from federal programs under the Consolidated Grants will be accounted for and reported to USDOE. Training on these procedures shall be completed by December 2007 and conducted annually thereafter. Alongside the Standard Operating Procedure for Program Income we have developed the Fiscal Monitoring Checklist for Program Income as a monitoring instrument to validate these processes to ensure compliance with Federal requirements and the SF269.	By December 2007 all Program Income shall be reported to USDOE. Programmatic & fiscal monitoring of all Programs to be completed at the end of each fiscal year.	<ul style="list-style-type: none"> <li>Program Income Standard Operating Procedures (SOP)</li> <li>Fiscal Monitoring Checklist - Program Income</li> </ul>	GPSS has created an SOP for Program Income handling which is currently in the process of being approved by GPSS. Upon approval of this SOP, we will provide the official SOP information as well as a copy for review.	SOP REVISED
