MR. PHILIP A. MAESTRI
Director
Risk Management Service
Office of the Secretary
U.S. Department of Education
400 Maryland Ave., S.W.
Washington, D.C. 20202-0100

Dear Mr. Maestri:

Buenas yan Hafa Adai! The Guam Public School System (GPSS) is pleased to submit for your perusal and disposition the Second (2nd) Fiscal Year (FY) 2009 Biannual Comprehensive Corrective Action Plan (CCAP). The submission of the 2009 Biannual CCAP complies with the Special Conditions letter dated September 28, 2008 and your most recent letter dated May 15, 2009.

Per your request, please find below GPSS' responses:

US-Ed Request:

- *Provide a summary of recommendations resulting from the completion of the Management and Curriculum Audit conducted by Evergreen Solutions, LLC, including GPSS' responses to those recommendations, and any action steps taken or planned for the recommendations.*

GPSS Response:

Attached is the memorandum dated May 21, 2009 from the Deputy Superintendent, Educational Support & Community Learning and the Acting Deputy Superintendent, Curriculum & Instructional Improvement to the Superintendent regarding the Status of Recommendations from the Evergreen Solutions Audit for the CCAP Report.

US-Ed Request:

- *Provide the status regarding the completion of the financial management contract with MGA consulting*
