NOTICE OF REQUEST FOR WAIVER

The Guam Public School System (GPSS) is required to issue this Notice of Request for Waiver. The Notice of Request for Waiver is a requirement by the U.S. Department of Education, section 9401 of the Elementary and Secondary Education Act (ESEA) as amended by the No Child Left Behind Act of 2001. GPSS is required to inform all applicants under Title V, Part A Consolidated Grant for Insular Areas the following intent:

- To carryover grant funds to support programs under Title V, Part A; and
- To use grant funds under FY 2008 consolidated grant for Title V, Part A programs.

The Notice of Request for Waiver is subject to the approval by the U.S. Department of Education of GPSS' intent. Funding opportunities will be made available by means of a Project Application consistent with Federal requirements. Workshops for prospective applicants will be held on May 27, 28, and 29, 2008 at the GPSS Federal Programs Conference/Training Room in Hagatna. Confirmation on your participation for the workshop is required by Thursday, May 22, 2008 due to limited seating capacity.

All questions and communications on the matter should be addressed in writing to Mr. Ike C. Santos, Federal Programs Administrator at the above address listed by close of business Friday, May 23, 2008.

This Advertisement is 100% paid with federal funds under Consolidated Grant.
