GDOE Schools to Host Registration Fairs for Students in the Lagu and Kattan District from July 25 to July 28

The Guam Department of Education (GDOE) would like to announce that GDOE schools in the Lagu and Kattan districts will be hosting registration fairs for students in their respective districts. As school sites prepare for inspection and the reopening of schools, school administrators and their teams collaborated on a creative and convenient way for parents and guardians to submit or receive necessary documents to either transfer, withdraw, or register their child(ren) for school year (SY) 2023-2024.
