### GUAM DEPARTMENT OF EDUCATION YEAR 2025 BUDGET STAKEHOLDERS SURVEY

Tiyan, Guam - The Guam Department of Education (GDOE) is working on the Fiscal Year (FY) 2025 budget and wants to hear from the community.

The FY 2025 Budget Stakeholder Survey is now open for the community to provide their input on the budget process. GDOE values the opinions of parents, students, teachers, and staff and encourages them to complete the survey as soon as possible. The survey will close on **November 17, 2023**, and the results will be used to inform the budget planning for the next fiscal year.

The purpose of this survey is to collect input and recommendations from our stakeholders on various aspects of our budget planning, such as capital improvement, equipment, supplies, and personnel. We also welcome any other comments or suggestions that you think are relevant and helpful for our budget process. Your feedback is valuable and appreciated.

The survey is available online at [www.gdoe.net](http://www.gdoe.net), under "FY2025 Budget Stakeholder Survey." Members of the island community can also access the survey at the following TinyURL link: [tinyurl.com/fy25gdoebudget](https://tinyurl.com/fy25gdoebudget) or through the following QR code:

The budget survey is not the only way to share your opinions with the schools. They also have stakeholder input sessions that you can join online or in person. These sessions will help the schools understand the needs and preferences of their school communities. You can find the schedule for next week and the following weeks below.
