SUBJECT: Evaluation of School Nurses by CH&NSA

Buenas and Hafa Adai! In September 2011 the Department of Education (DOE) received a letter from the Guam Board of Nurse Examiners requesting a status update from DOE why the department does not have a Chief Nurse in place that supervises the School Nurses. According to Public Law 29-71, which ***mandates all agencies employing Nurses, Nurse Assistants, and Advanced Practice Nurses to appoint a Chief Administrative Nurse.*** DOE **hired Mrs. Julietta C. Quinene, R.N.**, as the Community Health & Nursing Services Administrator (CH&NSA) in SY 2012 – 2013.

Mrs. Quinene's primary responsibility is to evaluate and supervise all SHCs and LPNs in DOE. Effective immediately she will officially execute these duties by evaluating all Nurses and collaborate with School Principals and Division Leaders. She will work collaboratively with you to approve leave request, hiring and reassignment of vacant nursing positions, and assigning SHCs and LPNs based on the needs of all schools.

It was also recommended by the National Association of School Nurses (NASN) that School Nurses be supervised and evaluated by a school nurse leader because of the integrity and quality of nursing practice is enhanced when clinical supervision is provided (NASN, 2013).

Should you have any questions, please contact me at your convenience. Thank you.
