AMENDMENT 1

Prospective Bidder:

Kindly refer to our **Invitation for Bid for IFB 004-2022, Indefinite Quantity Bid Purchase of Personal Protective Equipment (PPE) and Supplies**, a copy of which was obtained by your company for consideration.

Please see below questions submitted by Prospective Bidder(s):

Pacific Link Consulting

1. Childrens masks are itemized for #13 and #14 is that correct?

GDOE's Response: Yes, this is correct. #13 Youth are for ages 5 – 12, while #14 Children are intended for ages 2 – 4.

Sky Shoppe USA, Inc.

2. Upon review, I noticed that all bid items have bolded words indicating "U.S. MADE REQUIREMENT." Does this mean that every product for bidding must be made in the US?

GDOE's Response: Yes, every product for bid must be made in the US. On November 19, 2021, the Guam Department of Education | Federal Programs Division (GDOE FPD), which serves as the State Educational Agency, submitted a request for a waiver to the "Made in America" requirements from the U.S. Department of Education's (US-Ed) Education Stabilization Fund Outlying Areas Program Office. The Federal awarding agency responded on December 10, 2021, that the Buy American Act (i.e. a separate law that covers the "Made In America" provision of Presidential Executive Order 14005) does not apply to the Education Stabilization Fund – State Educational Agency (ESF-SEA), Education Stabilization Fund II – State Educational Agency (ESF II – SEA), and the American Rescue Plan – Outlying Areas State Educational Agency (ARP – OA SEA).

However, program officers from the US-Ed Program office made note that all procurement utilizing these Federal funds are subject to 2 Code of Federal Regulation (CFR) § 200.322. This regulation, which applies to Federal grants after November 12, 2020, establishes a domestic preference under Federal grants that are subject to the Uniform Guidance.

2 CFR §200.322 Domestic Preference for Procurement: As appropriate and to the extent consistent with law, the non-Federal entity should, to the greatest extent practicable under a Federal award, provide a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States (including but not limited to iron, aluminum, steel, cement, and other manufactured products). The requirements of this section must be included in all sub awards including all contracts and purchase orders for work or products under this award.

One Pacific Group

3. Under Bid number IFB # 004-2022 PPE Supplies. Can we offer FDA approved or with FDA certification but not made in US Product on the below items.

BID FORM GDOE IFB No. 004-2022
INDEFINITE QUANTITY BID PURCHASE OF PERSONAL PROTECTIVE EQUIPMENT (PPE) AND SUPPLIES

BID FORM GDOE IFB No. 004-2022
INDEFINITE QUANTITY BID PURCHASE OF PERSONAL PROTECTIVE EQUIPMENT (PPE) AND SUPPLIES

Item No.	Item Description	Qty.	Unit Cost	Extended Cost
19	Vinyl Gloves, Powder Free Size: Medium 100 Count Per Box / 10 Boxes Per Case U.S. MADE REQUIREMENT Manufacturer/Brand:	5 Cases		
	Part Number:			
	D Brochures and Descriptive Literature Included			

GDOE's Response: No, items must be U.S. made. Please refer to question 2 response.

Texas MedPlast, LLC

Item 12 - 3 Ply Disposable Adult Face Masks with Durable Elastic Ear Loop - Assorted Colors, 50 Pieces Per Box, 40 Boxes Per Case

4. QUESTION 1, we manufacture white color or blue color. Each box contains either color but do not assorted ones. Please confirm this is acceptable

GDOE's Response: GDOE is requesting for any color, except white.

5. QUESTION2, our standard packing for adults is 50 boxes per case instead of 40 boxes per case specified. Please confirm this is acceptable and eventually instead of supplying 500 cases, the quantity should be adjusted to 400 cases (maintaining the total of 20,000 boxes of masks)

GDOE's Response: Yes, that is acceptable.

Item 13 - 3 Ply Disposable Youth Face Masks with Durable Elastic Ear Loop - Assorted Colors, 50 Pieces Per Box, 40 Boxes Per Case

6. Question 1: is it 4-Ply acceptable?

GDOE's Response: Yes, that is acceptable.

7. QUESTION 1, we manufacture white color or blue color. Each box contains either color but do not assorted ones. Please confirm this is acceptable

GDOE's Response: GDOE is requesting for any color, except white.

8. Considering freight from Continental USA is quite relevant in proportion of the cost of goods to be delivered, please confirm whether Vendor's can indicate a minimum quantity per delivery (e.g: full container size) or whether in the event GDOE request smaller quantities, delivery time and logistics could be adjusted on a case by case basis reflecting the less efficient logistic cost (as has to be sent in a general cargo).

GDOE's Response: See Amendment No. 1, Attachment B – Revised Bid Cost Form in regards to the breakdown of the delivery of goods. In addition to the quantities set forth on the Bid Cost Form, additional orders may be placed upon the End Users discretion and Purchase Orders will be issued accordingly.

9. Do we need to segregate prices for goods and logistic cost?

GDOE's Response: Logistics cost and all additional costs must be incorporated within the unit cost. For additional information, please refer to page 6, section 3.1.7 BID SUBMISSION FORM.

10. Does GDOE have online portal for electronic submission instead of "paper" copies?

GDOE's Response: Electronic submissions are not permitted. Please refer to page 5, section 3.1.4 ACCEPTABLE FORMAT OF BIDS and page 6, section 3.1.6 RECEIPT AND OPENING OF BIDS.

11. Hi Ms Borja, we are having hard time getting a company issuing a Bid Bond for Guam. Is there any way such requirement could be waived, otherwise we wont be able to quote.

GDOE's response: Bid Bonds may be in the form of a surety bond, cashier's check, a certified check or a letter of credit. For additional information, you may also refer to page 7, section 3.1.17 BOND REQUIREMENTS, PERFORMANCE, AND PAYMENT GUARANTEES.

SunWest Group of Company

12. May we request the previous bid tabulation and contract pricing of Indefinite Quantity Bid Purchase of Personal Protective Equipment (PPE) and Supplies with reference no.IFB 004-2022?

GDOE's response: See Amendment No. 1, Attachment A – IFB 020-2020 Bid Abstract

MedPharm

For items # 15-18, as stated on the bid requirement, US MADE NITRILE GLOVES ARE REQUIRED with a delivery date of 30 days.

13. Is GDOE willing to accept US FDA Approved medical nitrile gloves with an FDA 510(K) approval manufactured and made in Malaysia?

GDOE's response: No, items must be U.S. made. Please refer to question 2 response.

14. Due to shortage in materials which cause delays in production, may we kindly request the 30-day required delivery date to be extended to 60-90 days delivery date?

GDOE's response: Due to the urgency and continued need to provide these supplies to our schools, GDOE must maintain the 30 days delivery date. However, GDOE will allow for partial delivery on several items. Please refer to Amendment No. 1, Attachment B – Revised Bid Cost Form for the accepted breakdown of delivery of goods.

USA Contractors, Inc.

15. Delivery of Goods. Items must be completed within thirty (30) calendar days after receipt of purchase order. The big issue for all manufacturers is the delivery, most US manufacturers are experiencing labour shortages, raw material shortages, supply chain delays, freight delays, etc. so the 30 calendar days delivery is not realistic much less have it delivered within 30 days. The current lead time for most manufacturing is 6 to 8 weeks after they receive the PO.

****For the said reasons, may I kindly request for the delivery to be 10-12 weeks ARO?**

GDOE's Response: Due to the urgency and continued need to provide these supplies to our schools, GDOE must maintain the 30 days delivery date. However, GDOE will allow for partial delivery on several items. Please refer to Amendment No. 1, Attachment B – Revised Bid Cost Form for the accepted breakdown of delivery of goods.

16. Stand Alone Temperature Scanner with Disinfectant Dispenser AC/DC Compatible.

Some notes on the product. This product must be U.S. Made Requirement. I do not believe all theme items qualify on the specs. They may be US companies, but they are overseas products.

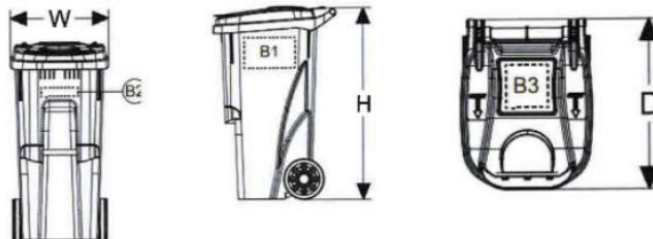

****Please clarify, how will the bid be handled?**

GDOE's response: Proof of "Made/Assembled in the USA," must be included in the product literature/brochures.

17. Heavy Duty Commercial Grade 32-Gallon Outdoor Trash Can with Two Handles, Removable or Lock in Place Lid. U.S. Requirement.

****Would GDOE accept a 35-Gallon Heavy Duty Commercial Grade Trash Can? Please see pictures below for reference.**

GDOE's response: GDOE will not accept a 35-gallon.

All else remains the same.

Sincerely,

CARMEN T. CHARFAUROS

Supply Management Administrator
