**AMENDMENT 2**

**Prospective Bidder:**

Kindly refer to our **Invitation for Bid for IFB 007-2022 Summative Assessment Test Kits and Materials**, a copy of which was obtained by your company for consideration.

GDOE will be adding the following verbiage to **Page 4, Section 2.3 PROJECT DESCRIPTION**

***Pursuant to 2GAR §4103(c)(i), Bidder must bid on the specified brand name in order to be deemed responsive, as only the identified brand name item will satisfy the Department's needs. No other equivalent products will be accepted.***

GDOE is hereby responding to questions received.

**ACT**

1. ACT, Inc. is in the process of reviewing Guam Department of Education ITB No. 007-2022. Page 7 of the ITB states "In the event that GDOE determines to hold a pre-bid conference, all potential bidders, that is all bidders who have requested and received an IFB packet from GDOE, will be informed of the date, time, location and requirements of the pre-bid conference." ACT submitted the Google form required to download the ITB. Is this sufficient to ensure that we will receive notification of a pre-bid conference and/or any additional updates for this opportunity?

***GDOE Response: Procurement had responded with "Since your company registered for this IFB, you will be receiving updates via email."***

**Curriculum Associates**

2. This bid is specifically naming a product. Are other assessments going to be entertained?

***GDOE Response: No. The products identified is what the district uses based on adoption.***

3. We would like to submit a proposal for i-Ready, our online Assessment and Instruction program but i-Ready focuses on Reading/ELA and Mathematics. Would we be OK to submit with this in mind?

***GDOE Response: You may submit bids based on the scope of work and specifications indicated on the IFB.***

All else remains the same.

Sincerely,

CARMEN T. CHARFAUROS  
Supply Management Administrator
