MEMORANDUM

To: All Schools and Divisions

From: Supply Management Administrator

Subject: Instructions and Indefinite Quantity Bid Listing

Reference: **Indefinite Quantity Bid Purchase of Microsoft Academic Select Plus Product Software**
FORMAL INVITATION FOR BID: GDOE IFB 015-2020

Attached are the results of the above referenced IFB for Microsoft Academic Select Plus Product Software. Please ensure that the following instructions are adhered to when entering requisitions. **If these instructions are not followed, your requisition will be REJECTED.** The Buyers in the Procurement Office are ready to assist you if you have any questions regarding this matter.

1. As a friendly reminder, there is a new **Purchasing Plus (GDOE MUNIS only)** feature that allows you to search items in the Indefinite Quantity Bid, which would then generate the description, price, and UOM (no need to type it out). **For this IFB, only frequently purchased items are searchable.** Please see attached Purchasing Plus Manual for further guidance.
2. **IFB 015-2020 IND QTY** must be entered in the field labeled "General Description" on the MAIN requisition page.
3. For this IFB, there is only one vendor and one 3-digit commodity code that you are required to use in the Main Page. See below:
 - Vendor: Data Management Resources, LLC (11722)
 - Commodity Code (3-digit): 208 COMPUTER SOFTWARE FOR MICROCOMPUTER
4. For **GDOE MUNIS users**, when going into Line Items, please ensure that the PURCHASING PLUS MANUAL is followed (see attached).

Note: GDOE MUNIS Purchasing Plus item numbers have been provided in the listing for your convenience. Instead of clicking the 3 dots and searching keywords (refer to page 3, step 3 of the Purchasing Plus Manual), you can easily just type in the Purchasing Plus item number on the "Item" field.

DO NOT PUT A COMMODITY CODE (4-DIGIT) ON THE LINE DETAILS. Your requisition will be REJECTED if there is a 4-digit Commodity Code.

5. For **TPFA MUNIS users**, when going into Line Items, please ensure that the Line Detail for each line item clearly states the following information:
 - Software Part Number as specified on the Indefinite Quantity Bid Listing.
 - **FULL DESCRIPTION** as specified on the Indefinite Quantity Bid Listing.
 - Correct **GDOE Discounted Price** and Correct Unit of Measurement (UOM).

Example of what each line detail should include:

Description: 021-05331 OfficeStd ALNG LicSAPk MVL

Unit Price: \$91.20

UOM: EA

6. Please ensure that a Determination of Need (DON) Form is attached to the requisition and IQB Listing (TPFA MUNIS users only. GDOE MUNIS users do not need to include IQB Listing).
7. Time of delivery is within thirty (30) calendar days after receipt of Purchase Order. **It is the responsibility of the END USER to follow up with vendors once the Purchase Order is processed.**
8. **Prices on this listing are valid from Monday, September 14, 2020 to Monday, September 13, 2021.**

If you have any question(s) regarding this matter, please feel free to contact any of our procurement buyers at (671) 475-0438 or you may email procurement@gdoe.net.
