**AMENDMENT 3**

**Prospective Bidders:**

Please refer to our **Invitation for Bid No. 017-2021 Indefinite Quantity Bid for Internet Access Devices "Providing Access to Homes" – PATH Program**, a copy of which was obtained by your company for consideration.

Please see **Attachment A – Summary of Pre-Bid Conference** conducted on Friday, January 29, 2021.

GDOE is hereby making the following change to the IFB:

**Section 6 – BID FORM**

**Replace Bid Form in its entirety with Attachment B – AMENDED Bid Form.**

Please see below responses to questions submitted by Prospective Bidders:

**GTA**

1. Referencing 2.3.1.7.1 and 2.3.1.7.2, please advise whether the MiFi would be returned back to the vendor if services are disconnected?

***GDOE Response: No.***

2. Referencing 2.3.1.7.1 and 2.3.1.7.2, should the MiFi not be returned to the vendor who will be responsible for the device replacement and/or charges?

***GDOE Response: GDOE does not understand the question. However, any device replacement due to damage or loss will be charged to the household. But, GDOE reserves the right to address this on a case-by-case basis.***

3. Referencing 2.3.1.7.1 and 2.3.1.7.2, if the MiFi's are to be returned back to the vendor, will the vendor be able to deploy the same MiFi to another student under the GDOE 017-2021 PATH Program?

***GDOE Response: No. See Section 2.3.1.1.***

4. Referencing 2.3.1.7.1 and 2.3.1.7.2, please advise if there is a limitation for the date in which a MiFi can be disconnected for unreliable services. For example, if a student is issued a MiFi on March 1, 2021, can a student claim unreliable service 4 weeks later or would they need have a 3 day period to advise GDOE and the vendor of unreliable services.

***GDOE Response: GDOE does not fully understand the question. Please refer to Section 2.3.1.7.***

5. Referencing 2.3.2.3, please clarify what GDOE intends to do with the MiFi if the student moves school districts during the duration of the contract. For example, a student was attending school in March 2021 in the Northern region but relocates to another school during the SY22.

***GDOE Response: MiFi will follow the student/household.***

6. Referencing 2.3.2.3, please clarify what GDOE intends to do with the MiFi if the student moves school districts during the duration of the contract. For example, a student was attending middle school in SY21 and attends High School at another school in SY22 (possibly in the same district), will the student keep the original issued MiFi device?

***GDOE Response: MiFi will follow the student/household.***

7. Referencing 2.3.3.1, please advise when award of services will be made?  
**GDOE Response:** *Award will be made once the review and evaluation of all submissions are completed. This can range from two weeks to one month after bid submission and may be dependent on other unforeseen factors.*

8. Referencing 2.3.3.1, please advise if there is any cure period to perform in the event the awarded vendor does not have adequate inventory of MiFi devices.  
**GDOE Response:** *Due to the urgent need, the quantity listed below must be activated within two (2) weeks.*

Region	Quantity
KATTAN	534
HAYA	180
LUCHAN	165
LAGU	121

*The remaining minimum quantity orders shall be made available to GDOE for activation within 30 calendar days. Devices will only be considered an active account and billable upon an approved household's completed sign-up with vendor and NOT prior. Should delays occur during the term of the contract, a written request for extension must be provided with a justification. It is at GDOE's discretion to approve or deny the request.*

9. Referencing 2.3.3.1, in the event a cure period is provided, and the vendor is unable to perform, please advise if services will be awarded to the next qualified lowest bidder.  
**GDOE Response:** *Should delays occur during the term of the contract, a written request for extension must be provided with a justification. It is at GDOE's discretion to approve or deny the request. If vendor ultimately is unable to perform, GDOE may, at its discretion, award to the second lowest bidder.*

10. Referencing 2.3.5.1, please confirm if vendor can block VPN access.  
**GDOE Response:** *Yes.*

11. Referencing 2.3.6.2, please advise if the vendor can charge for a MiFi device requested or issued after SY21. Please advise if GDOE can amend the Bid Form to include pricing for MiFi's for SY22 and any new activations as the term for services would be 6 months or less. Please advise if GDOE will be agreeable to a set price for any new activations requested after SY21.  
**GDOE Response:** *No.*

12. Referencing 2.3.6.3 should the federal grant be extended, will GDOE continue to utilize the existing vendor for services or will GDOE need to resolicit services though another IFB?  
**GDOE Response:** *Please refer to Section 3.2.4. Any services needed after the expiration will be solicited through a new IFB.*

13. Referencing 2.3.7.2 Please confirm whether the "customer" refers to GDOE or each individual student.  
**GDOE Response:** *The customer is the parent/guardian of the household.*

14. Referencing 2.3.7.2, if the "customer" is identified as the student and does not want to pay for a replacement MiFi device, will GDOE be responsible for the replacement charges?  
**GDOE Response:** *No. But GDOE reserves the right to address this on a case-by-case basis.*

15. Please advise what is required for a bid to be considered responsive or complete. For example, should vendor be required to submit their company background and wireless qualifications, maps, service level agreements, response to the project description.  
**GDOE Response:** *A bid is deemed responsive when it meets all material aspects of the IFB and the minimum specification requirements. No additional company information is required to be deemed responsive. However, additional information may be requested to determine responsibility as specified in Section 3.2.2 of the IFB.*

16. Referencing 2.3.1.6, access must allow for a minimum of ten (10) devices to connect to the internet please clarify if these connected devices are GDOE approved devices or can the student/parent connect their personal WiFi capable devices?

**GDOE Response: Students may use GDOE approved devices OR personal devices to access the internet for educational purposes.**

17. Please advise if the MiFi's will be property of the vendor during the contract term and if the MiFi devices will be returned back to the vendor at the end of the contract term.

**GDOE Response: No.**

18. Referencing 3.1.17, please confirm that the bid bond shall be based on the total price of all regions the vendor responds to.

**GDOE Response: Bid bond shall be 15% of the total bid price of all regions a Bidder bids on. Please refer to Section 3.1.17 of the IFB.**

19. Referencing 3.2.4, please confirm if federal grant is extended beyond the 3 options months, will GDOE extend the services to the current vendor or will GDOE resolicit the services under a new IFB?

**GDOE Response: Please refer to Section 3.2.4. Any services needed after the expiration will be solicited through a new IFB.**

20. If no single vendor can provide the required services for GDOE of 7,300 MiFi devices and activations, would GDOE consider a Multiple award contract to all responsive wireless vendors under a predetermined or agreed upon price by all responsive bidders and GDOE. (For example, if one vendor was awarded all 4 regions and the vendor cannot deploy 7,300 MiFi would GDOE award the contract to the next lowest bidder to supply the remaining services)?

**GDOE Response: Award will be based on the lowest, most responsive and responsible bidder for each region.**

21. Please advise what the process will be once the vendor is awarded services.

**GDOE Response: Generally, GDOE will provide vendor's an approved listing to include PATH ID numbers. GDOE parents/guardians will provide PATH ID numbers at the vendor site to initiate and begin online access. GDOE is willing to work alongside vendors to improve this process.**

22. Referencing 2.3.10.1, should GDOE disconnect services, can the MiFi devices be reissued to another approved household under the PATH program.

**GDOE Response: No.**

23. Referencing 2.3.10.2, please advise if the MiFi will be provided back to the vendor.

**GDOE Response: No.**

24. Referencing 2.3.12.1, please clarify if reports will be based per subscriber or the total data used by all MiFi devices per region.

**GDOE Response: Both.**

25. Referencing 2.3.12.1, please clarify if the vendor will need to provide a report on the usage of the devices connected behind the mifi.

**GDOE Response: Upon request.**

26. Referencing 2.3.12.3, please clarify if this will be requested per subscribe?

**GDOE Response: Data per subscriber and per district as a whole may be requested.**

27. Referencing 2.3.12.3, please clarify if the report be provided on the total data the vendor has.

**GDOE Response: Data per subscriber and per district as a whole may be requested.**

28. Will a VPN (Virtual Private Network) be utilized on these MiFi's? Can the parent/student use the SIM Card in another device? Or is it only applicable to the MiFi?

**GDOE Response: No. VPN is not allowed. No. SIM cards must stay on device.**

29. Please clarify if the services will be issued to students only, or will the faculty and staff of GDOE be able to avail of this program.

***GDOE Response: PATH program allows for a bulk-rate participant program which is defined as: Students and educators that do not qualify for the income-based program to participate at the awarded price to be paid by the student or educator.***

30. Please confirm that only approved GDOE staff will be able to disconnect and terminate services.

***GDOE Response: Disconnection must come from authorized GDOE personnel.***

31. Referencing 2.3.11.5 please clarify what is a "bulk rate participant"?

***GDOE Response: PATH program allows for a bulk-rate participant program which is defined as: Students and educators that do not qualify for the income-based program to participate at the awarded price to be paid by the student or educator.***

#### **Pacific Data Systems**

32. Is CIPA Compliance required of the service provided to each household?

***GDOE Response: Yes.***

33. Are the numbers identified per region a firm commitment on the number of customers for that region?

***GDOE Response: Please refer to Attachment B – AMENDED Bid Form. It is the minimum commitment. Minimum quantities will be purchased and activated throughout the contract term.***

34. How will invoicing be handled? Can the service provider invoice all on the list or as activated?

***GDOE Response: As activated.***

35. How will GDOE deal with device account assignment in a household if students in that household are attending schools in different regions serviced by different carriers (e.g., Rios Middle is in Luchan. Southern High is in the Haya district)? Which carrier gets the account?

***GDOE Response: GDOE will assign internally. Vendors will be informed of approved customers.***

36. Will GDOE provide an allowance/approval for educationally appropriate You Tube sites, videos?

***GDOE Response: No.***

37. If a household/student transfers between regions that are being serviced by different carriers, will the account be transferred to the new region?

***GDOE Response: MiFi will follow the student/household.***

38. What is the documentation/data GDOE will provide to carriers proving unreliable access to a household that warrants a disconnection of service to that household?

***GDOE Response: GENERAL PROCESS: Customer has issue - call vendor Help Desk. Vendor Help Desk should address issues. Vendor Help Desk assigns ticket number to customer and record on shared data spreadsheet. All following requests should be documented by vendor Help Desk.***

39. What is the documentation/data GDOE will provide to the regional carrier proving unreliable access that will warrant a termination of award?

***GDOE Response: GENERAL PROCESS: Customer has issue - call vendor Help Desk. Vendor Help Desk should address issues. Vendor Help Desk assigns ticket number to customer and record on shared data spreadsheet. All following requests should be documented by vendor Help Desk.***

40. Will there be an appeal process for these disconnections/terminations?

***GDOE Response: No. GDOE will be willing to address on a case-by-case basis.***

41. Subsection 2.3.1.1 says no refurbished, used or repaired devices are to be used. Subsection 2.3.7.2 says vendors are required to repair or replace faulty devices. Please clarify if repaired devices are acceptable to be used under this program.

***GDOE Response: 2.3.1.1 refers to the initial contract and devices must be new. 2.3.7.2 refers to the issued device - vendors are required to repair the issued devices.***

42. Will GDOE designate/identify the responsive, responsible head of household for each account that the carrier is to deal with?

***GDOE Response: GDOE will identify the student. Upon initiation, the parent/guardians may choose the responsible head of household.***

43. How will GDOE address accounts where students that have dual/multiple custody arrangements and parents/guardians live in different regions; and the parent/guardian with the online access device does not allow the student to take the device with them during the other parent's/guardian's custodial time?

***GDOE Response: GDOE will address internally.***

44. How will GDOE address accounts where students that have dual/multiple custody arrangements and parents/guardians live in different regions, but the online access device does not have coverage in the non-issuing region?

***GDOE Response: GDOE will address internally.***

45. Will this program be accessed by the Pre-Kindergarten programs of the schools that have such programs?

***GDOE Response: Yes.***

46. If a student is homeless, is the carrier obligated to provide an online access device to that student?

***GDOE Response: Yes.***

47. Subsection 2.3.12.1 states, "Vendor(s) must provide reports on data usage/number of devices active and inactive per device per month upon request by GDOE". Please clarify what information is GDOE seeking. Is GDOE seeking the number of devices that were issued that did not access the internet during the reporting period? Or is GDOE seeking the number of minutes/hours/days the device was inactive during the reporting period?

***GDOE Response: GDOE is seeking the usage per device per month.***

48. Will GDOE issue online access devices to students who are incarcerated, in a healthcare facility or a therapeutic care facility? If so, who will be the responsible party identified by GDOE for those facilities?

***GDOE Response: GDOE will address internally.***

49. GDOE states the purpose of this Indefinite Quantity Bid (IQB) requires mobile/portable online continuous internet access for all of Guam's students to include public, private, non-public schools and charter schools based on their needs to access education sites approved by GDOE. During the pre-bid, GDOE stated that devices powered by household electricity to operate are eligible devices. Please clarify this conflict as household electricity powered devices are not necessarily considered mobile/portable devices.

***GDOE Response: If the device can be easily carried by one person to be used in different locations, then it will be considered as portable.***

**Docomo Pacific Inc.**

50. 2.3.2.3: Vendors may bid and be awarded for more than one region. Question: Please confirm what will determine what vendors are awarded by regions?

***GDOE Response: Award will be made to the lowest, most responsive and responsible bidder of each region. Please refer to Section 3.1.3 and Section 3.2.1 of the IFB.***

51. 2.3.3.1: Internet access must be active within two (2) weeks of notice to proceed from GDOE. Questions: Due to the large number of devices that the bid calls for, would Vendor be allotted time to order and bring in the devices? It is possible that our vendors in the supply chain will also require additional time to deliver, this can range anywhere from 6-8 weeks depending.

***GDOE Response: Due to the urgent need, the quantity listed below must be activated within two (2) weeks.***

Region	Quantity
KATTAN	534
HAYA	180
LUCHAN	165
LAGU	121

*The remaining minimum quantity orders shall be made available to GDOE for activation within 30 calendar days. Devices will only be considered an active account and billable upon an approved household's completed sign-up with vendor and NOT prior. Should delays occur during the term of the contract, a written request for extension must be provided with a justification. It is at GDOE's discretion to approve or deny the request.*

52. 2.3.4: Whitelist- Attachment B must be exempt from monthly data. Question: Please clarify that the sites list must not be part of the total monthly GB allocated per device per month.

**GDOE Response: Yes. Please see Section 2.3.4.1.**

53. 2.3.9.1: GDOE will inform vendors of approved household subscriptions through an established listing. Question: Please advise what would be the process for each student that is eligible? Will GDOE issue a voucher or will GDOE activate the device and assign accordingly.

**GDOE Response: Generally: GDOE will provide vendor's an approved listing to include PATH ID numbers. GDOE parents/guardians will provide PATH ID numbers at the vendor site to initiate and begin online access. GDOE is willing to work alongside vendors to improve this process.**

54. Question: Who will the billing go to? GDOE or the student?

**GDOE Response: GDOE.**

55. 3.2.8: Delivery of Good- Bidders who are awarded this solicitation guarantees that goods will be delivered or required services performed within the time specified. GDOE will issue a notice to Proceed (NTP) and /or Purchase Order prior to commencement of the order. Devices must be delivered and activated within two (2) weeks after receipt of Purchase Order. Question: When does GDOE plan to make award?

**GDOE Response: Award will be made once the review and evaluation of all submissions are completed. This can range from two weeks to one month after bid submission and may be dependent on other unforeseen factors.**

56. Does GDOE plan to test the devices prior to any award is made?

**GDOE Response: No. Devices are expected to be tested by the customer at initiation of service.**

57. If a student is issued a device and after just a few months decides they will no longer require the service and return the device. May the vendor reissue the MiFi to another student?

**GDOE Response: No.**

58. Who will be liable for any loss, damage, or stolen devices? GDOE or the student?

**GDOE Response: The student/parent. GDOE reserves the right to address this on a case-by-case basis.**

59. Will Vendor be allowed to substitute a device other than a MiFi? a. If the Alternate device requires power, although still mobile will this be an acceptable device?

**GDOE Response: GDOE requires devices to be portable.**

60. Please confirm services will remain on even through the summer.

**GDOE Response: Yes.**

61. Please confirm the total bid amount that the vendor will submit will be based on total units for all regions.

**GDOE Response: Please refer to Section 3.1.3 of the IFB. Bidder is not required to bid on all regions.**

62. Please confirm if the most updated wage determination that is included with the bid package will suffice for bid submission?

**GDOE Response:** *Bidder is required to submit the most recent Wage Determination. Please visit [www.beta.sam.gov](http://www.beta.sam.gov) to obtain the most recent Wage Determination.*

63. Must vendor bid on all regions?

**GDOE Response:** *No.*

64. 2.3.12.3. Vendor(s) will provide visited site usage reports upon request. This may include, but is not limited to, whitelisted and blocked sites. Can GDOE provide a sample of the required report?

**GDOE Response:** *GDOE will work with vendors to develop required reports.*

65. 2.3.5.4. Current blocked sites, 2.3.5.4.1 Netflix, Amazon Prime, HULU and other Over the Top (OTT) movie streaming sites. 2.3.5.4.2 Instagram, Snapchat, Twitter, TikTok and other social media sites. 2.3.5.4.3 Roblox, Twitch, and other gaming sites. 2.3.5.4.4 Adult websites; illegal websites, gambling websites and other sites for adults only. Can GDOE provide a specific list of sites that will need to be blacklisted, as not all sites are listed in specified genres above. Will GDOE also maintain and provide an updated blocked sites list, as new sites appear?

**GDOE Response:** *GDOE requires a CIPA compliant filter; Yes, GDOE will provide updated blocked sites as needed.*

66. 2.3.1. SPECIFICATIONS, 2.3.1.1. No refurbished, used, or repaired devices or hardware shall be used for this program. 2.3.1.2. Minimum 15 Mbps download. 2.3.1.3. Minimum 2 Mbps upload. Please clarify Minimum 15 Mbps download and Minimum 2 Mbps is the "up to" speeds required to be delivered wirelessly or are these sustained speeds. Depending on the location, cell site capacity, number of devices connect to MiFi device, download and upload speeds may vary.

**GDOE Response:** *15 Mbps download and 2Mbps upload speeds are expected minimum requirements.*

67. What is the required timeframe for vendor to fulfill the request? What would be the timeframe to allow vendor to reorder the devices? Taking into consideration the impact on supply chain and lead time.

**GDOE Response:** *Due to the urgent need, the quantity listed below must be activated within two (2) weeks.*

Region	Quantity
KATTAN	534
HAYA	180
LUCHAN	165
LAGU	121

*The remaining minimum quantity orders shall be made available to GDOE for activation within 30 calendar days.*

*Devices will only be considered an active account and billable upon an approved household's completed sign-up with vendor and NOT prior. Should delays occur during the term of the contract, a written request for extension must be provided with a justification. It is at GDOE's discretion to approve or deny the request.*

All else remains the same.

Sincerely,
