Page 5, Section 2.3 – PROJECT DESCRIPTION

MONITORING SERVICES, Item No. 7

Remove Item No. 7. In its entirety.

Page 5, Section 2.3 – PROJECT DESCRIPTION

PREVENTIVE MAINTENANCE, Item No. 1

From: 1. The contractor shall provide preventative maintenance to include all parts and labor on all system components. The contractor shall repair any defective components to maintain system integrity. Each location shall be inspected and tested Monthly. Request to repair and replace equipment shall be approved in advance by the DOE Contracting Officer prior to any actual work being performed by the Contractor.

To: 1. The contractor shall provide preventative maintenance to include all parts and labor on all system components. The contractor shall repair any defective components to maintain system integrity. Each location shall be inspected and tested Semi-Annually. Request to repair and replace equipment shall be approved in advance by the DOE Contracting Officer prior to any actual work being performed by the Contractor.

Please see below responses to questions submitted by Prospective Bidder(s):

G4S Security Systems

1. Section 2.3 Monitoring Services item 1 - Please clarify or define the scope of service for the monitoring of Closed Circuit Television Systems.

GDOE Response: There will be no monitoring of Closed Circuit Television System. Please see above amendment.

2. Section 2.3 Monitoring Services item 6 – Does or will GDOE possess Dealer Level Certification or Licensing to access a monitoring station web portal?

GDOE Response: No.

3. Section 2.3 Monitoring Services item 7 – A schedule to open and close is required in order to supervise openings and closings. Who will certify and issue the schedule/s for each alarm system?

GDOE Response: This is no longer a requirement. Please see above amendment.

4. Section 2.3 Monitoring Services item 8 – Please specify the means for e-notification. Email, phone, text, mobile application, fax, etc.

GDOE Response: Only by phone and email.

5. Please clarify the following contradictory items - Section 2.3 Preventive Maintenance item 1, states that each location shall be inspected and tested monthly while Section 2.3 Security Alarm System Maintenance, Testing, and Repairs item 2 specifies to conduct Semi-annual Inspections and Testing.

GDOE Response: Scheduled Preventive Maintenance will be conducted Semi-Annually. Please see above amendment and amended Bid Form.

6. 2.4. SITE VISITS AND INSPECTIONS Each bidder is encouraged to visit all locations and become familiar with and take into consideration site conditions, which may affect the work. Prospective Bidders have the opportunity to schedule site visits with schools at their own time prior to the deadline for bid submission. We are requesting that GDOE set the site assessment schedules for the bidders...This will allow each bidder to provide 2 representative with GDOE Capital Improvement Department representative onsite to assist in answering verbal questions that may arise during the visits and that all bidders will have the same information being disseminated

GDOE Response: Refer to 2.4. For School contact listing, see attachment B School Directory. All question must be submitted in writing.

7. We are also requesting a bid extension up to 4 more weeks (possible 4-5 schools per day), bidders will not have enough time to verify system faults and devices status, in addition to the Pandemic and on-going classes.

GDOE Response: Please see above amended Deadline for Bid Submission.

8. We are requesting that the RFI also be extended after the site visit for each school is completed. This will allow bidders to formally submit the RFI question for clarification.

GDOE Response: Please see above amended Deadline for Questions.

SecureSafe Solutions

9. Is the CCTV System going to be monitored remotely? If so, will this be during alarm events? Specific times? Or 24/7 constant monitoring?

GDOE Response: No. Please see above amendment.

10. What is GDOE's standard operating procedures requirements for remote video monitoring?

GDOE Response: N/A. Please see above amendment.

11. Will GDOE be providing the required broadband for the CCTV system for each location?

GDOE Response: N/A. Please see above amendment.

12. Was the CCTV system remotely monitored in the past?

GDOE Response: N/A. Please see above amendment.

13. Project description section 2.3 states preventive maintenance on a monthly basis, however item #2 on "Maintenance, testing & repair" states this to be conduct Semi-Annually. Can we get clarification on this?

GDOE Response: Scheduled Preventive Maintenance will be conducted Semi-Annually. Please see above amendment and amended Bid Form.

14. Section #4 of the security system maintenance, testing and repair state "prior to replacing defective device" approval will needed. Do this apply to peripherals under \$150?

GDOE Response: Any repairs costing \$150.00 & below will be at the contractor's expense, which will not require GDOE approval.

15. Does GDOE have device layouts for each location? If so, will GDOE provide it?

GDOE Response: Please refer to Attachment A of the IFB: Security System Description, Sub-Components with School Sites and Room Locations of each device. Site visits are recommended to determine system configuration.

16. If bidders are not able to complete the site inspections before the deadline, will GDOE grant for an extension for bid submittal?

GDOE Response: Please see above amended Deadline for Bid Submission.

17. Are all systems for each location fully operational?

GDOE Response: A list of operational systems will be forthcoming.

18. Does GDOE have a list of repairs needed for the both the Intrusion Detection & CCTV Systems?

GDOE Response: ***GDOE does not have a recent list of repairs at this time.***

All else remains the same.

Sincerely,

CARMEN T. CHARFAUROS
