# Positive Behavioral Intervention Supports (PBIS) Foundational-All 41 Schools

The main focus of this training will target *Discipline Procedures- Using the ODR*

Discussed in greater detail in Chapter 1 of the Student Conduct Procedural Manual (SOP 1200-018- June 16, 2021 version)

# Systematic Supervision

## Systematic Supervision

SCHOOLWIDE PBS FOR EVERYTHING ELEMENTARY

How many of you want to:

- ✓ Decrease problem behavior
- ✓ Increase student cooperation
- ✓ Make your job less stressful and fun

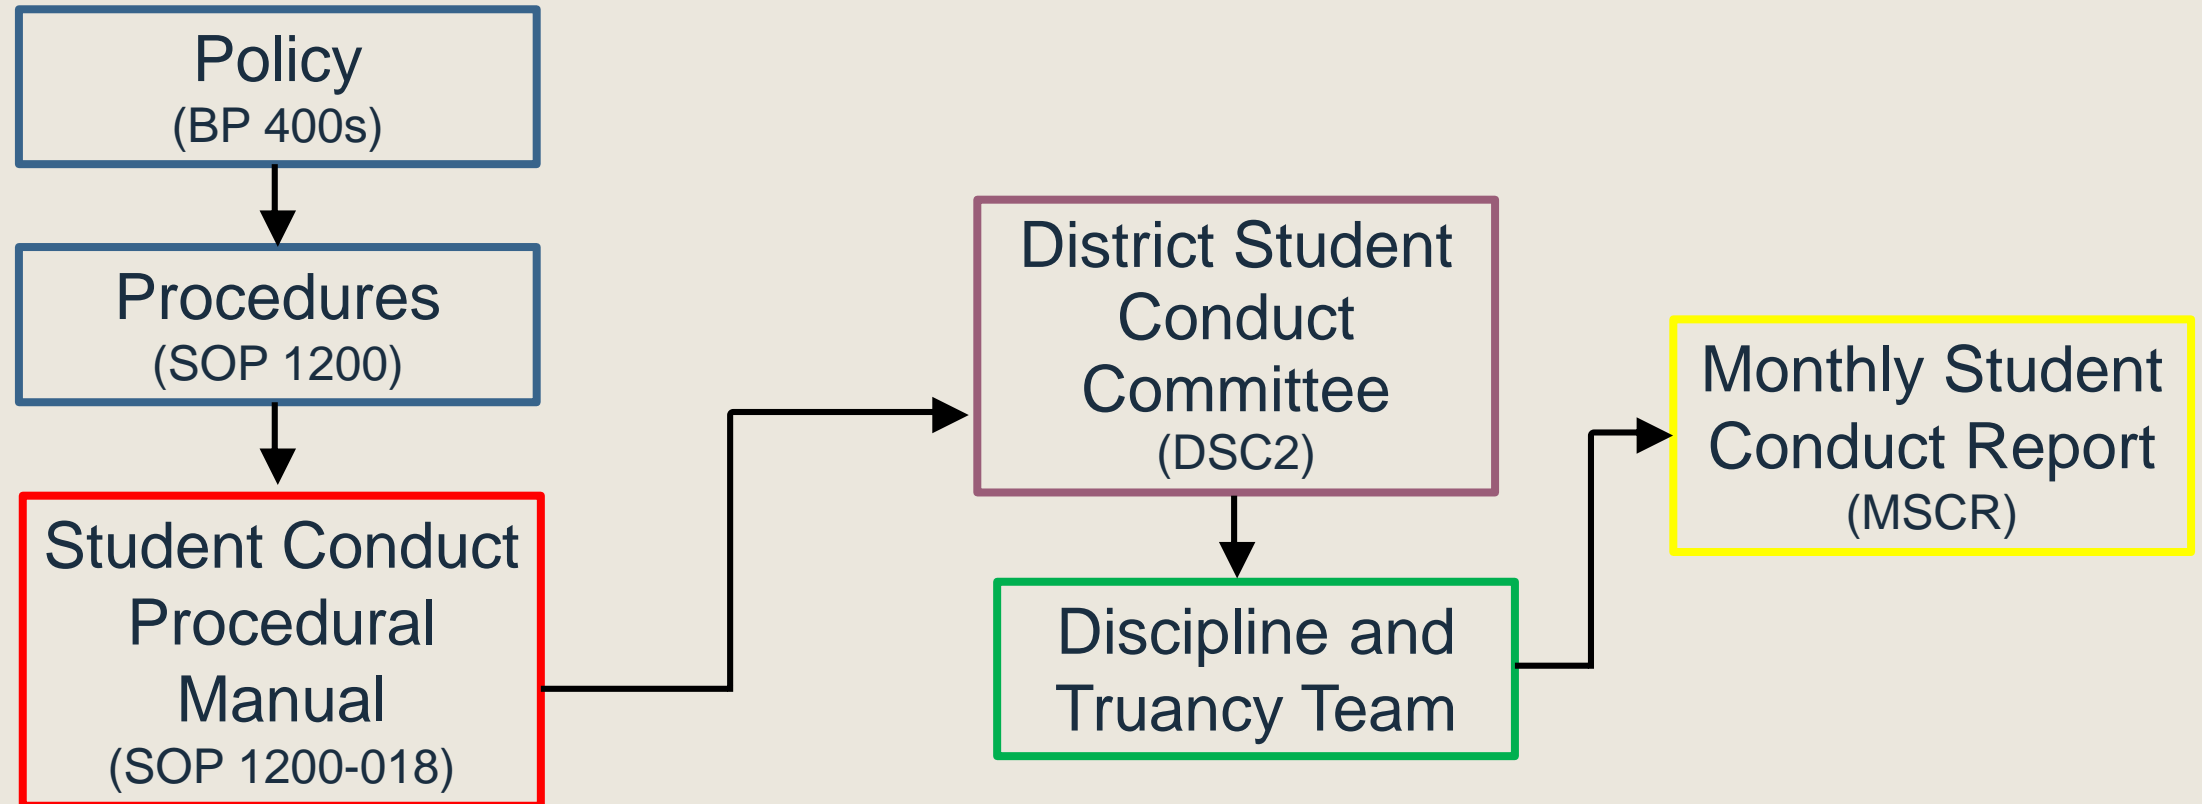

# Understanding the Discipline Structure

- Protocols are not perfect, but serves as basis for making decisions at the administrative level.
- It is not intended to cover every possible scenario. For guidance or clarification, schools should contact the Deputy Superintendent, ESCL or SSD.
- The SCPM (SOP 1200-018) is signed and sanctioned by the Superintendent; and therefore, schools are required to follow. Protocols are reviewed annually by DSC2 and adjustments made as needed by school-level stakeholders. ***Ensure you have the June 16, 2021 version***
- Process is **progressive**....each behavioral offense a student commits, the weight of actions taken increases in severity
- Please reference cover memo from DSESL for detailed amendments to the SCPM...students assigned to online instruction can be disciplined for behavioral infractions online (Source: Page 60)

***Note: The Office Discipline Referral (ODR-July 11, 2019) - Student Conduct Procedural Manual (SCPM-SOP 1200-018, June 16, 2021 version) is designed to instruct and minimize arbitrary /capricious decisions by administrators. We are all advocates and need to ensure that operating procedures are followed by everyone.***

# School Discipline During a Pandemic

- Schools should focus on prevention by establishing clear behavioral expectations and a continuum of instructional responses to behavioral violations. *(SCPM, 6/16/21; Pg. 25-27)*
- It is imperative that schools work to keep students online/in school at their very best.
- The behavioral expectations and responses to behavioral violations have been adapted or modified for mode of learning offered to students.
- The adapted/modified discipline procedures align with existing school-wide behavioral expectations, district policies, and build on discipline standards. *(SCPM, 6/16/21; Pg. 69)*
- Schools should continue to reference all discipline policies and SOP 1200-018 - Student Conduct Procedural Manual (SCPM).

# Use of the Office Discipline Referral (ODR) – *Elementary*

- The ODR is a standardized form used for student behavioral offenses in grades pre-kindergarten through fifth grade.
- The elementary ODR does not classify infractions into levels of severity like secondary.
- The elementary ODR is two (2) pages front/back. The Behavior Incident Report is the back or 2<sup>nd</sup> page. The elementary ODR does not have “minor” offenses as defined in secondary.
- All suspensions for students in grades pre-kindergarten through third (K-3) must be approved by the Deputy Superintendent, ESCL before issuing action.

# Elementary School ODR

- There are nine offenses listed on the form. These offenses are the top disciplinary infractions that occur in the elementary schools.
- Should a problem behavior not be listed on the form, schools have the option to choose “other” and must reference the District Data Dictionary, and assign appropriately.
- Multiple administrative interventions can be assigned for the student. Should an intervention not be listed on the form, schools have the option to choose “other” and must reference the District Data Dictionary, and assign appropriately.

# Vignette One – 1 minute

A 3rd grade student is referred for fighting. The school administrator conducts an investigation and finds the student guilty. She has decided that given the severity of the physical combat, a suspension is the appropriate action. She suspends the student for 10 days.

*Was this action consistent with the SCPM?*

*What is required for suspension actions involving student Pre-K to 3rd grade?*

*Does this apply to 4th and 5th graders?*

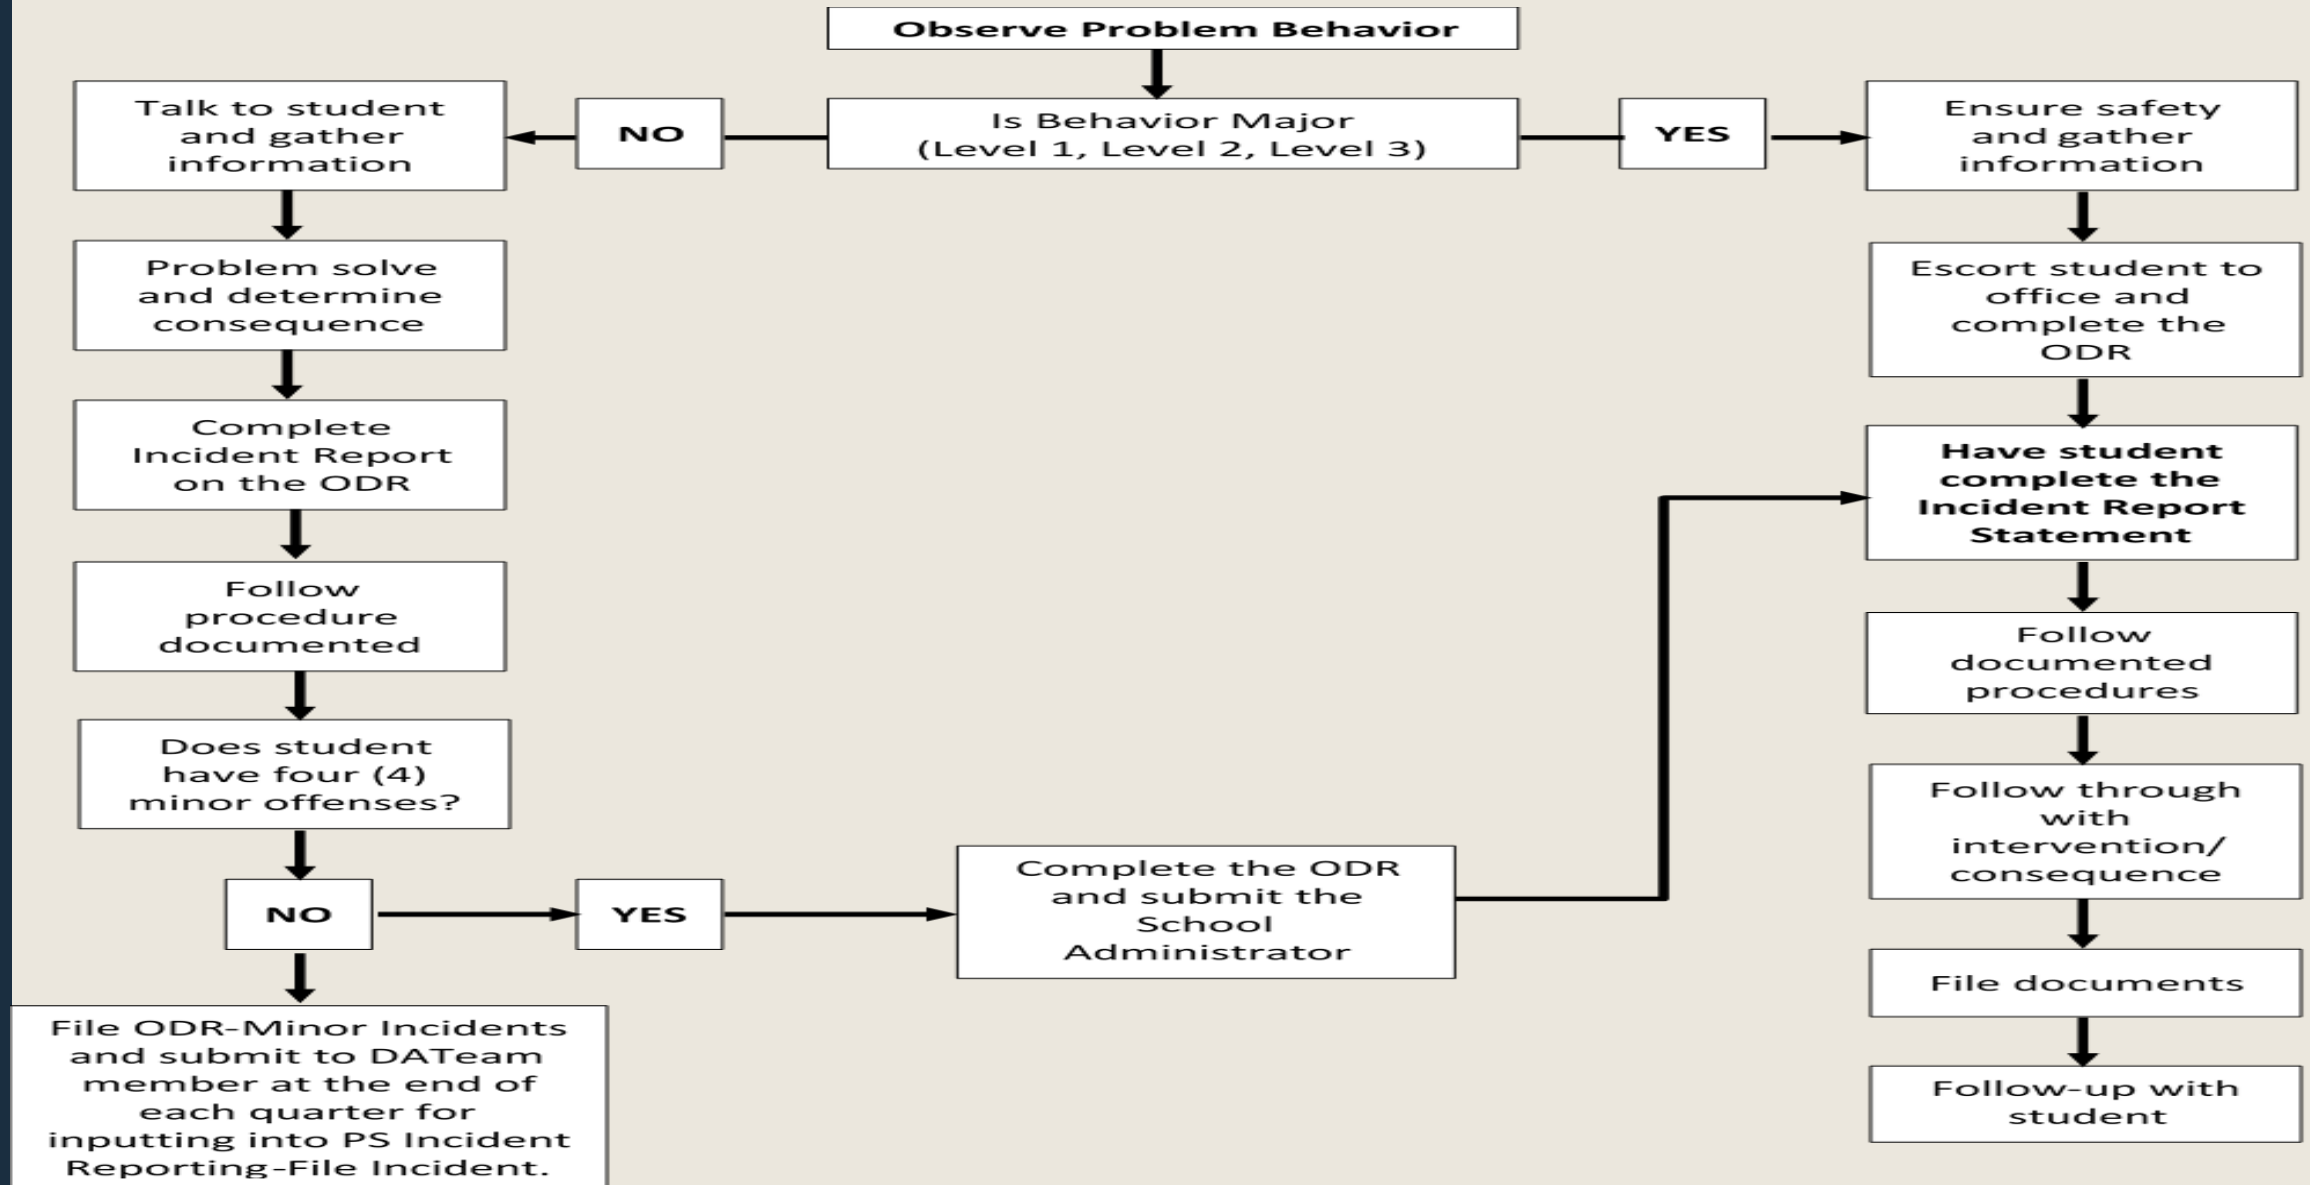

**Let's Discuss.**

1. No
2. Approval from DSESCL to assign suspension for students, Pre-K to 3<sup>rd</sup> grade is required prior the action to take place.
3. No, approval from the DSESCL is not required.

# Use of the Office Discipline Referral (ODR) - *Secondary*

- The ODR is a standardized form that specifies behavioral infractions that warrant interventions and consequences. (Source: SCPM Page 57)
- Two-part: Minor and Major Offenses
- If a student is engaged in more than one offense (both minor and major) during one incident, the student shall be adjudicated for the most severe offense. All lesser offenses must be documented as an Incident Reporting.
- All referrals for both minor or major must be logged on PowerSchool.
- School Administrators maintain discretion to decide consequence that is consistent with the guidance provided in the SCPM.
- Consult and use District Data Dictionary (*Source: SCPM; Appendix A*)

**Notes:** School Principals may not assign in-school or out-of-school suspensions as a consequence for students in Pre-K-3rd grade. Suspensions for Pre-K-3rd grade can be assigned with approval of the DSECL.

**Parent Shadowing may be used in lieu of suspension. If a student is assigned parent shadowing, he/she is NOT authorized on campus without the parent/guardian present at all times. If the parent/guardian is unable to shadow, the student must stay home for the duration of the consequence. Any student on parent shadow/suspension found on campus without authorization from the administration may be charged with criminal trespassing. During the time of parent shadow/suspension, a parent conference with the school administrator is required. Failure of the parent to adhere to this policy may result in a Persons in Need of Services (PINS) petition to Family Court for Educational Neglect. Board Policy 405 guides all suspensions. The consequences in each level are progressive in nature. School Administrators have the discretion to decide consequence; other incidents/consequences are allowable in respective levels.**

**Behaviors are aligned to SWIS**

**STRUCTURE IS PROGRESSIVE.** The frequency of behavioral offenses is correlated with the weight of the interventions/consequences assigned.

# Minor Incidents (Secondary)

- **Minor Infraction = Incident Reporting**
- There are nine (9) minor infractions listed on the ODR.
- Minor offenses have the same title as major offenses.
- Provides four opportunities for teachers and/or school personnel to address and document the minor infractions.
- A student's behavioral infraction can be elevated to a Level 1 Major Offense and adjudicated by a school administrator if there are four (4) minor behaviors documented on separate days. (Four (4) Minor Infractions may advance to a Level 1.)

# Minor Incidents (Secondary)

- **Incident Reporting Log on PowerSchool – The district does not vet this log. The primary use is at the school level to support PBIS.**
- If student does not commit four (4) minor offenses in a quarter, the teacher and/or staff must submit ODR to DAT member to input information in PowerSchool under Incident Reporting.
- After each quarter, Incident Reporting (information and forms) for each student must start over at the first incident.

# Major Offenses (Secondary)

- There are 49 major offenses listed on the ODR.
- There are three categories: Level One, Two, and Three.
- **STRUCTURE IS PROGRESSIVE.** The frequency of behavioral offenses is correlated with the weight of the interventions and/or consequences assigned.
- When consequences are issued, the school administrator must ensure that interventions are implemented upon the student's return from suspension and/or expulsion.
- Behavioral offenses with asterisks:
  1. (\*) Results in an automatic 10-day suspension and a possible DAC Hearing
  2. (^) Follows a different schedule.
  3. (U) Report to GPD.

# Practice Pointer

## Action Taken by Administrator for Major Offenses

- School administrators should select the consequence identified on the ODR that is consistent with the weight of the offense and previous offenses.
- Consequence should be progressive and become more severe based on the following criteria:
  - *Review of the discipline history of the student,*
  - *Review PowerSchool and hard file of the student for the current school year, and*
  - *Consult ODR and DDD.*

# Major Offense: Level 1 Offenses and Interventions/Consequences

- The offenses under this level are classified as “**least severe.**”
- There are 11 behavior infractions, and none warrant suspensions.
- Three behavior infractions: tardy\*\*, dress code violation\*\*, and bag policy\*\*, follow a different schedule of discipline.
- There are 38 interventions and/or consequences.
- 3 Level 1 Offenses may advance to a Level 2 Category

# Major Offense: Level 2 Offenses and Interventions/Consequences

- This major offenses that fall under this category are considered **“serious.”**
- There are 16 behavior infractions.
- There are 38 interventions and/or consequences.
- Suspension is generally warranted after the third offense. Suspension days can only be for 1–3 days.
- Reckless Conduct\*\*\* that take place on the bus or individuals filming a fight, follows a different schedule of discipline.
- 3 Level 2 Offenses may advance to a Level 3 Category

# Practice Pointer

## Action Taken by Administrator for Level 2 Interventions/Consequences

- Consequences that can be assigned: Work Detail OR Lunch Detention OR Parent Shadowing OR Out-of-School Suspension/In-School Suspension;

### AND

- ALL INTERVENTIONS THAT FOLLOW THE ODR OFFENSE MUST BE ASSIGNED. The interventions include: Mandatory Parent Conference, Referral to Counselor, and Student Placed in Contract.

**This is considered a “package” when adjudicating the case.**

Note: This package is consistent with PowerSchool log. User cannot submit the record without selecting these interventions.

# Vignette Two – 1 minute

An 8th grade student is referred by his Social Studies teacher for forgery. The student has one prior Level 2 Offense.

*Based on progressive discipline, what consequence and intervention should be assigned?*

**Let's Discuss.**

*Because this is the student's second offense, work detail or detention up to 5 – 10 days should be assigned. Student must be referred to the counselor and placed on 3 week contract.*

# *Vignette Three - 2 minutes*

An 11<sup>th</sup> grade student is referred by her Calculus teacher for sexting. Upon investigating the case, the administrator determines that the behavior was not sexting, but obscenity. This is the student's first Level 2 Offense.

- 1. Should the administrator continue to charge the student for sexting or change the behavioral infraction accordingly?*
- 2. What consequence and intervention should be assigned?*

## ***Let's Discuss.***

- 1. School administrator should change the behavior infraction accordingly.*
- 2. Because this is the student's first offense, either lunch detention or work detail for 3-5 days must be assigned. A mandatory parent conference, referral to counselor, and two-week student placed on contract must also be assigned.*

# Major Offense: Level 3 Offenses and Interventions/Consequences

- This major offenses that fall under this category are considered **“severe.”**
- There are 26 behavioral infractions.
- There are 36 interventions and consequences.
- Suspension is warranted accordingly – 3-10 days at the 1<sup>st</sup> offense, 5-10 days at the 2<sup>nd</sup> offense, and 10 days at the 3<sup>rd</sup> offense.
- DAC Hearings maybe held for behavioral infractions without an asterisk at the 3<sup>rd</sup> offense.

# Major Offense: Level 3 Offenses and Interventions/Consequences

- The following results to an automatic 10-day suspension with a possible DAC Hearing:
  - *Use/Possession/Distribution of Alcohol\**
  - *Arson Property Damage\**
  - *Use/Possession/Distribution of Weapons\**
  - *Fighting\**
  - *Assault/Battery Student and Employee \**
  - *Rioting \**
  - *Use/Possession/Distribution of Drugs \**
- Use/Possession/Distribution of Tobacco Products\*\* and Use/Possession/Distribution of Firearms/Explosives\*\* follow a different schedule of discipline.

# Practice Pointer

## Action Taken by Administrator for Level 3 Interventions/Consequences

- Suspensions are assigned as consequences.

### AND

- ALL INTERVENTIONS THAT FOLLOW THE ODR OFFENSE MUST BE ASSIGNED. The interventions include: Mandatory Parent Conference, Referral to Counselor, and Student Placed in Contract. This is considered a “package” when adjudicating the case.

Note: For Level 3, 2<sup>nd</sup> and 3<sup>rd</sup> Offenses, a CST must be conducted for the student.

# *Vignette Four – 2 minutes*

Three 10<sup>th</sup> grade students were engaged in serious physical contact. School support personnel were able to disengage the three students and walked them to the school administrator's office. To ensure there were no major injuries, the nurse screened the students as the physical contact included punching and kicking. This was the first behavioral infraction for all three students.

1. *Should the students be charged with fighting or rioting?*
2. *What would the consequence and intervention be for the students?*

## **Let's Discuss.**

1. *Fighting, not rioting. SCPM defines fighting with 2 or 3 people.*
2. *Automatic 10-day suspension with a possible DAC Hearing, mandatory parent conference, referral to counselor, and student 4 week contract*

# *Vignette Five — 3 minutes*

An 8<sup>th</sup> grade student is referred by a school aide for possible possession of marijuana. Upon investigation, the student admits to possession of marijuana and surrenders it to the administrator. This is his first Level 3 violation.

- 1. What consequence and intervention should be assigned?*
- 2. Is it appropriate to leverage suspension days for participation in an upcoming Substance Abuse Intervention cycle?*

## ***Let's Discuss.***

- 1. Regardless of this being the student's first offense for a Level 3 violation, an automatic 10 day suspension must be assigned with a possible DAC hearing, MPC, referral to counselor, and 4 week student contract.*
- 2. Yes. Should parent and student agree to participate in the SAI Program, his participation can be in lieu of suspension.*

## *Vignette Six – 3 minutes*

A 9<sup>th</sup> grade student was caught breaking into one of the schools during non-school hours. Upon investigation, the student's intent was to steal the portable speakers from one of his teacher's classrooms. The student broke the classroom window at a cost of \$80 for repair. The student has no history of disciplinary infraction.

*Should the student be charged with property damage or vandalism?*

***Let's Discuss.***

*The student should be charged with vandalism because the damage of the classroom window has a value of more than \$25.*

# *Vignette Seven – 3 minutes*

Through investigation, a student is found guilty of possession and use of an electronic cigarette. This is the student's 2nd violation. The school administrator calls the student's parents in to meet and discuss the Brief Tobacco Intervention (BTI) program. The parent refuses to participate and the administrator suspends the student.

***Let's Discuss ...***

*Based on the SCPM, how many days should the student be suspended?*

***Six day suspension.***

*Based on the parent's refusal for the son to participate in BTI, what new form is the parent supposed to sign?*

***BTI Declination of BTI Services Form***

*Where is this document filed?*

***Student's Discipline Folder***

# *Vignette Seven – 3 minutes*

Through investigation, a student is found guilty of possession and use of an electronic cigarette. This is the student's 2nd violation. The school administrator calls the student's parents in to meet and discuss the Brief Tobacco Intervention (BTI) program. The parent refuses to participate and the administrator suspends the student.

## ***Let's Discuss ...***

*If the parent refuses BTI, what is the name of the educational material issued to the student/parent?*

### ***BTI Tool Kit***

*Is the school authorized to return the electronic cigarette to the parent? If no, what does the school do with it?*

***No, the school should use the Google Survey found on the SSSD website (under Search & Seizure) and log the item and information. Also, schools are guided to remove the battery before storing the device. All seized items are stored at SSSD. Schools are now guided to bring all seized nicotine devices along with a manifest log of all items being turned in to SSSD.***
