1. Extension of Questions Deadline – We kindly request an extension of the clarification deadline to ensure that we are able to gather and address all necessary inputs, technical clarifications, and inquiries from our suppliers and manufacturing partners.
GDOE Response: The deadline for written questions will not be extended. Due to recent Typhoon Bavi, GDOE has extended the Deadline to Response to Written Question until July 31, 2026, as shown on Amendment 5.
2. Extension of Bid Submission Deadline – We respectfully request an extension of the final bid submission deadline by three (3) weeks. Given the extensive number of line items included in this solicitation, additional time is needed for our suppliers to thoroughly review the requirements and provide complete pricing, technical information, and compliance documentation.
GDOE Response: Due to Typhoon Bavi, GDOE has extended the Deadline for Bid Submission to Friday, August 7, 2026 at 3:00 p.m., and the Bid Opening will be on Friday, August 7, 2026 at 3:30 p.m.

Our company is considering sourcing some furniture products from manufacturers in the Republic of Korea. These products may comply with applicable Korean safety and performance standards and may be supported by Korean certification documents rather than ANSI/BIFMA X5.1 certification.

GDOE Response: GDOE will require the vendor to remain within ANSI/BIFMA X5.1

5. For items where color is not specifically identified in the specifications, may bidders propose products in any standard color, provided that all other requirements and specifications are met?
