We're here to help you stay  
strong, bounce back, and move  
forward.

## How It Works:

**Referral:** Students may sign up themselves, or be referred by school staff or through screeners.

**Orientation:** Student & parent/guardian meet with the program team to learn what to expect.

**Assessment:** A BHS provider decide the best level of support.

### Sessions:

- 24 total hours (flexible with school schedule)
- Small groups of up to 20 students

**Completion:** Students will receive a Certificate of Completion and the School will be notified.

**Follow-Up:** School counselors will keep supporting students after the program.
