SUBJECT: SY 26–27 Adult & Non-Student Meal Pricing

Buenas yan Hafa Adai,

This memorandum serves as guidance on adult and non-student meal pricing and its effects on the nonprofit school food service account. Adult and non-student meals served to visitors must follow federal non-program food guidelines as outlined in 7 CFR 210.14(f) of the National School Lunch Program.

Please ensure you join efforts with in-house (GDOE) and out-sourced (Sodexo) Cafeteria Managers to adequately plan and prepare a sufficient number of meals and ensure that all participating students are priority.

It is essential that payments collected by the school lunch clerk for adult and non-student meals be remitted to the appropriate GDOE non-profit school account in addition to "a la carte" meals. These payments must be recorded in reports to the Food & Nutrition Division and the Business Office reference SOP 200-041 School Meals Collection section VIII Procedures (6.b).

It is in the interest of our district's school community that we provide opportunities for teachers, staff and individuals within a valid reason to be on campus to access meals.

We welcome any questions or concerns you may have, so please feel free to contact our office at fnsmd@gdoe.net or call 671-300-1398. Thank you

Anthony Sean Monforte
