Vision

To create an environment where every student in Guam has access to healthy meals that support their growth, learning, and well-being.

Mission

The Food and Nutrition Services Management Division is dedicated to providing high-quality nutrition programs that comply with USDA standards, promote healthy eating, and ensure food security for all students in Guam. We strive to collaborate with schools, families, and communities to foster a culture of health and wellness through education and resources.

School Year 2025-2026

As of May 15, 2026

The School Year 2025–2026 for GDOE schools began on August 7, 2025. A total of 24 Elementary Schools, 8 Middle Schools, and 7 High Schools are participating in the School Breakfast Program (SBP) and the National School Lunch Program (NSLP), which provide both breakfast and lunch meals.
Additionally, Head Start classes commenced on August 18, 2025, involving 27 centers. These centers provide breakfast and lunch meals to students, with some centers also offering snacks during specific periods.

TOTAL MEAL COUNTS COMPARISON
School Year 2024-2025 vs 2025-2026

	APRIL		
	School Breakfast Program (SBP)	**National School Lunch Program (NSLP)**	**TOTAL**
SY 2024 – 2025	121,595	216,291	337,886
SY 2025 - 2026	79,970	143,398	223,368

Outlier: The School Breakfast Program (SBP) and the National School Lunch Program (NSLP) reported a combined decrease of 114,518 meals, representing a 33.89% decline. The factors contributing to this significant decline when comparing April 2025 to April 2026, aside from the decrease in GDOE schools from 41 to 39, include the closure of GDOE schools for 6 days in April 2026, Grab-&-Go service implemented in 12 schools on April 21 and in 3 schools on April 22. These disruptions were due to Typhoon Sinlaku.

	Head Start APRIL			
	Breakfast	**Lunch**	**Snacks**	**TOTAL**
SY 2024 – 2025	5,970	6,343	3,426	15,739
SY 2025 - 2026	3,965	3,978	2,090	10,033

Outlier: Participation among Head Start students declined by 5,706 meals, representing a 36.25% decrease compared to April of the previous year. This reduction has significantly affected the total number of meals served, primarily due to the closure of the GDOE Head Centers for six days because of Typhoon Sinlaku.

USDA FNS Programs

- **Community Eligibility Provision (CEP)** - Guam Department of Education (GDOE) and Guahan Academy Charter School (GACS) are currently participating under the CEP, where students are provided one (1) Breakfast and one (1) Lunch Meal at no cost. Department of Defense Educational Activities (DoDEA) has opted to participate in the CEP starting School Year 2025-2026.
- **Child and Adult Care Food Program (CACFP)** - FNSMD provided an annual training of the CACFP to the Military Sponsors, Andersen & Naval Station Child Care Centers. The training provided guidance and technical assistance on the responsibilities of a Sponsor participating in the CACFP.
    - FNSMD conducted an Administrative Review of Andersen Child Care's management of their CACFP Operations for School Year 2025-2026. Areas of the review consist of Food Safety, Financial Management, Food Service Operations, Eligibility Determination, On-Site Monitoring, Meal Pattern Requirements, etc.
    - FNSMD has requested Andersen Child Care Center's detailed transaction listings that support the Sponsors Expenditure Claims for CACFP Operations during School Year 2025-2026. FNSMD will review the expenditures to ensure compliance to the CACFP.
    - FNSMD is presently working with the Sponsor, Joint Region Marianas (JRM), in their bid to participate in the CACFP to operate Day Care Homes within the Military Bases.

S-EBT 2026 (Summer EBT)

GDOE's FNSMD has transmitted the 2026 Eligibility Listing to DPHSS for processing of the SEBT Benefits. The Eligibility Listing provides DPHSS the data received from the School Districts, of all children enrolled and participating in the National School Lunch Program. The list of eligible children consist of students from the Guam Department of Education (including Head Start), the Department of Defense Education Activities (DoDEA) and Guahan Academy Charter School (GACS). Awaiting for the notification from DPHSS regarding their potential distribution of benefits to the community. GDOE FNSMD will provide troubleshooting assistance regarding confirmation of student data.

Food Service Management Companies (SODEXO) Operated Cafeteria Updates

1. **Equipment**
    a. The FSMC is required to maintain the readiness of all cafeteria equipment on site.
    b. GDOE is responsible for replacing any inoperable equipment as needed for both GDOE and FSMC operated cafeterias.

2. **Staffing**
    a. FSMC has some shortages of Staff but is able to maintain all operations having the ability to move personnel around.

3. **District Issues & Concerns**
    a. Late arrivals – FSMC is working on hiring more staff and bringing in additional delivery vehicles to address this on-going issue.
    b. Running out of food – FSMC ensured the District they will monitor more precisely to ensure all students from start of meal service to end have the same quality of food.

CAFETERIA INSPECTIONS AND RECOMMENDATIONS

The report provides an overview of the inspections conducted in GDOE cafeterias. It details findings related to equipment deficiencies, maintenance issues, and necessary upgrades that are essential for achieving optimal operational standards and ensuring compliance with health regulations.

Key Areas of Focus

- **Broken Equipment:** Identification and assessment of malfunctioning or broken equipment impacting daily operations and food service efficiency.
- **Equipment Needs:** Analysis of essential equipment requirements to enhance food preparation, storage, and overall cafeteria functionality.

NOTE: As of January 2026, 17 out of 39 Schools were visited for Grease Trap Inspections with EPA and GWA Inspectors. Inspections are still ongoing for pending schools.

Recommendations

- **Immediate Repairs:** Prioritization of urgent repairs to resolve existing equipment issues and guarantee uninterrupted cafeteria services.
- **Long-Term Upgrades:** Proposals for strategic investments in new equipment to improve reliability, efficiency, and compliance with health and safety standards.

National School Lunch Program (NSLP), School Breakfast Program (SBP), Child and Adult Care Food Program (CACFP)
On-site Observation

The Food and Nutrition Services Management Division (FNSMD) team began the on-site reviews on August 7, 2025, and has completed reviews for all **39 schools** participating in the NSLP as of October 24, 2025. This includes reviews for 24 elementary schools, 8 middle schools, and 7 high schools.

> *[7 CFR 210.8(a)(1)] - Every school year, each school food authority with more than one school shall perform no less than one on-site review of the counting and claiming system and the readily observable general areas of review cited under § 210.18(h), as prescribed by USDA FNS for each school under its jurisdiction. The on-site review shall take place prior to February 1 of each school year.*

Moreover, the FNS team conducted on-site reviews of the School Breakfast Program (SBP) at 39 schools, achieving a completion rate of 100% as of October 8, 2025.

> *[7 CFR 220.11(d)(1)] - Every school year, each school food authority with more than one school shall perform no less than one on-site review of the breakfast counting and claiming system and the readily observable general areas of review identified under § 210.18(h) of this chapter, as specified by USDA FNS, for a minimum of 50 percent of schools under its jurisdiction with every school within the jurisdiction being reviewed at least once every two years. The on-site review shall take place prior to February 1 of each school year.*

The Food and Nutrition Services (FNS) team has completed the first-round on-site reviews for all 27 Head Start Centers as of November 6, 2025.

> *[7 CFR 226.16(d)(4)(iii)] Frequency and type of required facility reviews. Sponsoring organizations must review each facility three times each year, except as described in paragraph (d)(4)(iv) of this section*
>
> *[paragraph (d)(4)(iv)] Averaging of required reviews. If a sponsoring organization conducts one unannounced review of a facility in a year and finds no serious deficiencies (as described in paragraph (l)(2) of this section, regardless of the type of facility), the sponsoring organization may choose not to conduct a third review of the facility that year, and may make its second review announced, provided that the sponsoring organization conducts an average of three reviews of all of its facilities that year, and that it conducts an average of two unannounced reviews of all of its facilities that year. When the sponsoring organization uses this averaging provision, and a specific facility receives two reviews in one review year, its first review in the next review year must occur no more than nine months after the previous review.*

During these reviews, the FNS team evaluates meal quality, nutritional standards, and food safety practices to ensure that each school provides healthy and balanced meals for students.

The FNSMD began the second round of CACFP unannounced on-site reviews on 2/2/26 and completed reviews at all **27 Head Start locations** on 2/13/26.

The third round of CACFP on-site reviews for Head Start locations has been cancelled, as the Guam State Agency received WRO approval for the minimum two (2) review requirements for CACFP centers operating less than 12 months in the year.
