GDOE Community Informational Briefings & Input Sessions

Tiyan, Guam – The Guam Department of Education (GDOE) is actively engaging the community in a series of briefings and input sessions on the process, criteria, and timeline for the decommissioning of GDOE schools. This initiative is a response to the changing needs of the student population and aims to optimize resources and facilities. The community's input is crucial in this process to ensure a smooth transition for students, families, and staff. These sessions are open to the public and can be attended in person, via Zoom, or watched live on Facebook.
