**AMENDMENT 1**

**Prospective Bidder(s):**

Kindly refer to our **Invitation for Bid, 023-2024, Supplementary Instructional Material on Mathematics for Private Non-Public Schools**, a copy of which was obtained by your company for consideration.

As per Section 3, para 3.1.14, see below questions from Vendors and Responses from GDOE

Lincoln Learning Solutions

1. I have reviewed the list of ISBNs and descriptions of supplemental instructional materials included in the bid. Is the Guam Department of Education exclusively interested in the products listed, or would you also consider submissions for supplemental Math materials and ISBNs that are not specified in this bid?

GDOE Response: The Guam Department of Education is only interested in the products specified in the bid.

2. Are digital supplemental materials acceptable?

GDOE Response: Digital supplemental materials are not acceptable unless they are specifically listed.

3. What learning management system(s) are currently used for these school districts?

GDOE Response: Each school uses different learning management systems and has varying technological capabilities, which is why hard copy materials are preferred.

All else remains the same.

Sincerely,

CARMEN T. CHARFAUROS  
Supply Management Administrator
